

10 DOWNING STREET

From the Private Secretary

26 March 1986

Dear Robert,

DIRECT SATELLITE BROADCASTING

The Foreign Secretary mentioned to the Prime Minister this evening a number of problems connected with direct satellite broadcasting. He suggested that he might get together officials of Departments concerned to look into these problems.

The Prime Minister expressed willingness in principle to propose this. But as a first step I need to see the relevant papers and I should be grateful if you could let me have them after Easter.

yours sincerely,
Charles Powell
