SEMINAR ON BROADCASTING POLICY

Thank you for your letter of 4 September about Mr. John Wheeler's request to attend the Prime Minister's seminar on broadcasting policy.

The Prime Minister has considered this and, with great regret, concluded that it would not be right to invite Mr. Wheeler. The seminar is intended to be private and guests have been invited on that basis. But the Prime Minister would wish Mr. Wheeler to be given the gist of what happens at the seminar and it would be very helpful if this could be done (by Mr. Renton perhaps?) after the seminar.

Colin Miller, Esq.,
